How to access ARIES for PEOPLE-EA via a web-browser

I. User registration

If you have an account already, skip to the [next chapter](#) of this guide

1. New users need to first register by creating a user profile here: <https://integratedmodelling.org/hub/#/register>.
2. To register, choose a username and provide an email address to create a profile (no password is required at this stage)

4. You will receive an email to validate your registration information; check the email account you registered with and click on the link to complete your registration.

Please, check your spam folder too! If you don't validate your email, your profile will not be activated.

5. After confirming the email, the user can set the password.

6. Visit <https://integratedmodelling.org/hub/#/profile/view>
- To review or edit information in your profile, or
 - To change your password

II. Access to the application

ARIES for PEOPLE-EA can be accessed using a web browser.

Direct online access

Directly through your web browser, via the login page, using your username and password:
